*It is extremely important when speaking or listening to “that little voice in your head” that you know to whom you are; ensuring what is said and what you hear is in step with the Words of Christ Jesus in particular and with the entire Bible in general.*

**“Now when the sun was setting, all they that had any sick with divers diseases brought them unto him; and he laid his hands on every one of them, and healed them. And devils also came out of many, crying out, and saying, Thou art Christ the Son of God. And he rebuking them suffered them not to speak: for they knew that he was Christ.”**

**LUKE 4:40-41 (KJ)**

**“And he healed many that were sick of divers diseases, and cast out many devils; and suffered not the devils to speak, because they knew him.”**

**MARK1:34 (KJV)**

**H**earing from Father God – 5. Please read [“The Mystery of Hearing from Father God”](#) which is located on the Spiritual Lessons Page on the eBlessings web site. Thanks for taking the time to read our devotionals.

Congratulations to [President Barack Obama](#) for becoming the first African-American president of the United States of America. Everyone continue to pray for him and all of the world's leaders to follow the example of Christ Jesus. Yes Mr. Obama, let me be the first to say that I will put away those childish things and be responsible in my life and with my life. I ask that you do the same with our lives, with our families and with our country. Thanks in advance! I know you will do just fine. Our prayers are with you and yours.

It has come to my attention since the printing of the ["Growing our Spirit Soul"](#) booklet, soon to be a book, and now eBlessings International Daily Devotionals, that many people hear voices. There is a range of different ways for one to hear the "whisper of God" in one's mind, heart, or soul.

Some are hearing more than only God. But what? Hearing what? From whom? From lost souls? From Angels? From Jesus? From the anti-jesus? The anti-christ? From a Prophet? From mammon? From Abraham? Or King David? Or King Solomon? Or from satan himself? Which voice might you hear and not know if what you are hearing is biblical Truth or a mixture of lies, mis-truths, pseudo truths, and straight out lies.

Many people hear many voices; most people do not have any negatives issues with knowing if it is God or Jesus speaking or not. The voice they hear may be for them the "voice of reason," the "voice of morality," the "voice of conscience," or any number of the "voice of monikers." That little nudge one gets in everyday circumstances is from the LORD and acknowledge Him for it, thank Him for it, and expect it and look for it daily during each of life's circumstances.

I was quite surprised to know that many do not believe that God speaks to you or that Jesus speaks to people. Sounds like blasphemy to me. Christ Jesus speaks to people today, so do Angels, Arch Angels, and a Host of Our Holy Heavenly Family. These people may believe that Jesus is dead and will not speak until

they see Him in Heaven or upon His Return. They may say: “What’s wrong with him? Oh, he thinks he hears from God.” “Oh, okay. Ain’t he that crackhead? As I was saying...”

Moving right along. I was not surprised at all to know that there are many Christians who honor God by saying He did this for them, or He told them this, or that His Messenger (an Angel) moved them out the way, or spoke to their hearts to say a word or suggestion or to simply move so they do or did not get crushed physically, emotionally, nor spiritually. God loves to be honored and glorified.

Not many people at all will say that they hear God speak out loud to them—you know—just like you talk to someone else. I do not hear God like that, but for those who can and who are not mentally insane, continue to serve Him as I am sure you are since He is speaking to you. Be brave and courageous in your service.

Most people HEAR by thinking, or feeling, or intuition, or circumstance, or happenstance, or by accident—did you hear me say God, Christ, Jesus, or the Holy Spirit in that sentence? There are no accidents with God. Jesus wants a personal relationship with Him where we take Him with us every day, every way, every how, any way, no matter how dirty, how disgusting, how devastating, how compromising, Christ Jesus wants to share that experience with us. HE LOVES US THAT MUCH. Everything has purpose—everything—everything has reason.
