School of Evangelism and Church Planting

About Nepal

Nepal is the home of Mount Everest and also land of beauty but lives in deep spiritual darkness. Only the 2% of the 27 million people have professed Jesus as their personal Lord and Savior and the rest are waiting to hear the Gospel of Jesus Christ. Hinduism is the dominant religion followed by Buddhism. Much preaching was done in the last ten years so the conversion of new souls has grown to certain numbers. (People cannot ignore our numbers.) Nepal is bordered with China's Tibet in the North and to India in the South.

The Need of the Bible School

School of Evangelism and Church Planting trains and equips the Saints for the work of the ministry. Jesus tells us that **'Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost', Mathew 28:19.**

People here worship trees, idols, rivers, stones and animals because they do not know the Creator. We know their need to hear the Gospel and if we do not preach the Gospel and they go to hell then God will hold us accountable for their souls. We must witness Jesus to them. The Bible says that **"For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on Him in whom they have not heard? And how shall they hear without the preacher? And how shall they preach except they be sent? As it is written, how beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!"** Every year we train people that want to do ministry and send them to the evangelism work and for church planting. Bible school graduates have brought numerous souls to the kingdom of God. If we ever dream to win our country to Jesus then we must produce faithful laborers. Where ever I go believers they ask me 'when are you going to have

Bible school again so that I might attend also'. People they want to attend School so that they might go and do ministry.

Bible School Impact

I would like to tell the ministry biography of Purna Kumar. He was student in 2007 Bible school. He went back and in 3 years time started churches in three different places, in Mahamai, Dasami and in Kerkha. In these three new churches there are more than 100 new converts. Some of them are joining the Bible School this season.
