*African Bishop seeks your help
and support for the poor Christians in the Ivory Coast.*

“Jesus saith unto them, My meat is to do the will of him that sent me, and to finish his work. Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest. And he that reapeth receiveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together. And herein is that saying true, One soweth, and another reapeth. I sent you to reap that whereon ye bestowed no labour: other men laboured, and ye are entered into their labours.”

JOHN 4:34-38 (King James Version)

Dearly beloved brethren in the Lord Jesus,

I send you greetings from Abidjan, in the Ivory Coast, West-Africa,
I am Bishop Osagiede Godwin, the Minister in charge of “The Prophetic Church of Jesus Christ of Nazareth Cote d’Ivoire International.”

Your name and address came to us as a miracle and we in West Africa really wanted to work with you to evangelize the nations of Africa. For this reason we wanted to get affiliated with your ministry and also solicit your support in any way you can. We will need your support in of Bibles and evangelical materials. For there are many thousands of people who have given their lives to the Lord Jesus as their Lord and personal Savior, but are so poor in the villages that they cannot afford to pay for a new Bible.

They will appreciate second hand or fairly used clothes shoes and Bibles and Christian books and other spiritual materials; these villagers will highly appreciate them. Please help us in any way you can to make the “Great Commission” of our Lord Jesus Christ a reality in every nation of Africa. Bibles and books in the French and English languages. And other microphones, amplifiers, piano, video and audio materials that can help us reach the lost for Jesus Christ. Maybe you will want to know more about us, our website is: www.ourchurch.com/member/o/osaretinchurch/
If you ask us, we could also send you our government authorized documents, authorizing us to freely preach the gospel in all the 15 countries of ECOWAS States.

We have already planted over 68 churches in the remote and interior villages of the Ivory Coast, with Pastors living together with these villagers in the remote villages. We want to get affiliated with you in our village church planting ministry, here in the Ivory Coast. May the Almighty God help us to be able to spread the Gospel in every nation of the world.

We are looking for ways to come to the full support of the abandoned HIV positive in the villages who are without homes and without food. Medicines like vitamins and antibiotics and other medical supplies to help these villagers. We also support some of the people that had been recently released from the prisons.

We also have a lot of abandoned children of war here in the Ivory Coast that we want to give food, clothes and shelter. And encourage them to go back to school, by helping them with school uniforms shoes, bags and books. We will really need your services here in the West Africa.

Yours in the Missionary and Humanitarian Services in the West Africa.
