\$700 Billion. Remember, just because you are not in America doesn't mean this doesn't involve you. It will be in your neighborhood in about 90 days.

“But know this, that if the goodman of the house had known in what watch the thief would come, he would have watched, and would not have suffered his house to be broken up.”

MATTHEW 24:43 (KJ)

American Election 2008 - 6. Jesus is saying, you good Christian people had better watch the tares in your world because they will break up your house (hear: your governments and societies) with CRIMINAL ACTIVITY. This was spoken by Jesus during the good times. Life as you know it is about to change.

This devotional is about the [prophecy](#) of [E2](#): “McCain to win by a landslide,” found on the [Prophecy](#) page. Please read American Election 2008 -1-3; [September International Daily Devotional Archives](#). This American Election is so intertwined into Revelation, it is not funny but scary.

I really do not know where to start. There is so much to say. Much of this will be prophetic in that I am going to tell you what I have seen and heard spiritually concerning this situation. Please listen carefully. I pray the LORD JESUS bless your eyes and ears to receive spiritually-- understanding and wisdom in these present issues which are so important and imperative to our survival as Christians in America and in the world. Amen Messiah.

First of all, I will continue the grocery list I started last time at the end of this current exposure to the Holy Spirit “concerning this movement of the antichrist to secure \$700,000,000,000 USD to begin the integration of the “[mark of the beast](#)” into world financial systems and into corporate partners like perhaps 3M Corporation (hear: [mammon](#) (MMMMN-Tetragrammaton name) the unclean spirit, principality over material gain (greed and avarice works with it and for it).” There will be many corporate partners and bank partners in this effort and did I mention religious leaders. Watch and pray.

Please note that both our Presidential candidates chose to vote for the “FAT CAT” bailout. This only solidifies my opinion that we have taxation without representation. I am not a millionaire, yet, smile, but as I am I do not have representation because the millionaires are looking after their own interests while walking and living on the shoulders of the American Middle Class. We are in trouble—America and the world. This is not a real crisis because not a single soul has said anything about taking money from the Iraqi money coffers where there are billions. Billions to which we Americans should have access. This sounds cavalier, but if this is really a world financial crisis then someone would say, “Get that money.” Are they that ignorant not to say it? Don’t be naive.

Also, this \$700 billion dollar fiasco is a politically contrived instrument; just as the southeast oil shortage—a political move. President Bush has been paying off his “favors” every since he has been in office and I can clearly see that he has been paying off his buddies recently as he is about to leave office. This is the last greatest payoff, payout to his cronies before he leaves office. The [Defense Contractors](#) (hear: lobbyists) are paid off and any number of others... follow the bread crumbs of the “[GOLDEN PARACHUTES](#)” to know what I am talking about, if you are interested in your future.

We are talking about the American Election and how the antichrist could possibly be involved. We are talking about the enemies of God in a spiritual warfare which plays out in our daily lives, in daily government, in daily military life, in corporate life; right beside you is a tare; a “tool” of the antichrist. How to know: death of God’s Creation, destruction of God’s Creation, or the suffering of humankind and God’s living things.

Okay, for those who do not know this, as Christians, Christians trying to live as Christians—you are in a spiritual battle which is about to transcend the spiritual boundaries and move directly into conflict with your world. The confluence will happen with the integration of the MARK into societies. You see most of the world does not exist on CREDIT like America and many industrialized countries. There has to be an instrument to incorporate both the poor humans, rich humans and everyone in between. We have all read about the Second Coming with comes after the RAPTURE and we imagined it to be farfetched or not in our lifetimes; or we just took or take the wait and see attitude.

Stop waiting. Think in terms of MAGIC: The old “SLIGHT OF HAND” trick. The better magicians do the trick right in front of you, while you are watching and you do not see it. The best magicians or criminals will steal from you while looking in your eyes, all the while you believing that they’re your friends or have your best interest at heart; all the while stealing you blind and smiling in your face. He leaves a rich man; you leave a poor man. Substitute the for the word magic: unclean spirits.

That is how the enemies of God work when their FRONTAL ATTACKS (or approaches) do not work or if they are looking for success in one of their campaigns. They show you one thing over HERE, and DO ANOTHER over there. It is happening right before our eyes. Wall Street and the finances are what you are to be looking at, but I am sure something in Iraq, Afghanistan, Georgia, Saudi Arabia, and Europe that is impacting us or will impact us after this \$700 billion antichrist proposal goes through. It will go through, and it will set up the mark of the beast. How can it you say? We are all looking in the wrong direction. ALL; well almost all.

Dr. AC Brown claims that his relentless praying for the Obama Campaign is paying off. And prayer can and does change things. Like I said, before, McCain will win by a landslide. BUT, this is how Obama can win, can squeak by with an election. Here is the other part of the grocery list:

6. Say and use a strategic withdrawal plan and let it be a 12-month or 18-month plan. This is why. Every military man or woman, not one that was in service, but a “military man or woman” with a military attitude, a patriot (of which I am one) knows that you cannot leave a battle zone quickly without incurring much death

and destruction—sounds like a characteristic of the antichrist doesn't it—it is a military historic occurrence. So it is not a wise choice—it only sounds good, like “tax rebate checks” which are only delaying tactics—that sounds like a trick of the devil—DELAY. “Tax rebate checks” do not put money from outside our financial system into it; it only takes money which is in our system and redistributes it in the system—finance 101—no real increase—only the delay of the inevitable.

This is Jesus speaking. “Remember therefore how thou hast received and heard, and hold fast, and repent. If therefore thou shalt not watch, I will come on thee as a thief, and thou shalt not know what hour I will come upon thee.” Revelation 3:3 (KJ) This time He is not speaking during the good times, He is speaking during bad times. He is speaking to the CHURCH; and the TARES in the CHURCH who are antichrist agents playing RELIGION attempting over the centuries to hinder The TRUE CHURCH's spiritual development. They have been quite successful—look at how divided the church is and how out of control the world is. Let us get control of our world.
